- Maximum of 6 customers are to be on the premise at any given time.
- Encourage customers to conduct business over the phone to limit the number of customers in our facilities.
- Encourage shipping products rather than in store purchase.
- Commonly touched surfaces that customers touch shall be wiped down at the start of the day and intermittently through out the day (i.e. door handles).
- When customers or vendors leave touched surfaces will be disinfected.
- After employees use the kitchen or bathroom they will disinfect any surfaces they have touched.
- Employees have been instructed as to good hygienic practices.
